Welcome to My Practice

Appointments & Professional Fees: Individual and Family sessions are billed at an hourly rate of $160; $200 Couples & Drug & Alcohol Assessments; $60 per Group sessions. All sessions are 50-53 minutes; groups 75 min. Time is set aside by me specifically for your session. Except in the case of a severe weather emergency, medical illness or unforeseen crisis, please provide at least 24 hours advance notice should you need to cancel or change an appointment. Please call me (*no text or email*). Without this notice, you will incur a "no show" fee and will be charged for a broken appointment at my customary rate of $160 Individual/Family, $200 for Couple/Drug & Alcohol Assessments. Insurance companies will only pay for services rendered and cannot be billed, nor will they reimburse for no-shows or late cancelations. Providing advance notice of a cancellation allows me to schedule another client who may be on a waiting list for an appointment. When you have a scheduled session and have not canceled, and if I have not heard from you by phone if you'll be late, I will wait in my office for 20 minutes after which time you will be billed for a broken appointment. **Please indicate your understanding by initialing here:** _____

Miscellaneous Service Charges: Please be advised that therapist time spent on client-related professional services outside of the therapy session is not billable to insurance. These services include but are not limited to: report writing, written assessments, court diversion/DOC written evaluations, phone consultations with clients or others (exceeding 15 minutes); face to face consultations with others such as attending school IEP meetings (exceeding 15 minutes), etc. Utilizing the above rates as a guide, this time is billed directly to the client and is pro-rated in quarter hour units (with the minimum of 15 minutes) charged at the quarter hour rate.

Confidentiality: Privacy and confidentiality are important to the relationship between client and therapist. There is legal and ethical protection for the information that you share with your therapist and it cannot be released without your express written consent. This also covers my written record. There are exceptions to confidentiality that include but are not limited to: when there is reason to believe that you intend to harm yourself or another person; when there is suspicion, observation or report of a child or vulnerable adult that has been or might be abused or neglected; or if information has been requested by a judge's court order. If you have any questions about confidentiality, now or at any time, prior to or even following treatment, please by all means raise those concerns with me immediately. Your trust and your confidentiality is of the utmost importance to me.

Confidentiality & Insurance Companies, etc: If you are using benefits under a managed care plan including Medicaid and Medicare, I may be required to provide information related to your case to the managed care reviewer and your primary physician, in writing and verbally. I will follow these procedures unless otherwise notified by you in writing. I acknowledge the use of a billing service (Claims Connection) located in Plattsburgh, NY to bill for those charges to be issued to my insurance company. When technology permits, these claims may be submitted electronically. Signing below is an acknowledgement that Claims Connection will be given a copy of your "Client Information Form" page (included in this intake packet) in order to process these claims and/or to maintain a record of your account. Signing below also acknowledges that you are authorizing Claims Connection to contact your insurance company to check on claims submitted for payment for services. You are authorizing your insurance benefits to be paid directly to Marc Richter, PLLC and acknowledge that you are financially responsible for any unpaid balance. You are also authorizing the release of information needed to verify the medical necessity for your evaluation and treatment to your insurance. I acknowledge the use of a collections service, Revenue Cycle Management Corp. (RCMC) located in Vergennes, VT to collect any longstanding (over 4 months) unpaid client balances. Should collections become necessary, signing below is an acknowledgement that RCMC will be given a copy of your "Client Information Form" page (included in this intake packet) in order to facilitate any needed collections.
